Productive Idea Competition is being organised by Junior Chamber International Finland

The goal of the Productive Idea competition is to discover a product, service, production method, operations model, concept or business idea which improves business environment either in public or private sector. The winners of the Productive Idea competition will get significant coverage in Kauppalehti (the leading Finnish business paper) and other media publicity.

There are two competition categories, private sector and public sector, which both will award the most innovative idea.

In regional level there were winners awarded in private sector and public sector.

The regional level winner in public sector category is Quickclac Finland Oy and its Dental Time Service

The Regional level winners are awarded in Hyvinkää 12. November 2005

Junior Chamber International Finland region 4 will award the Regional winners in 2005 Productive Idea competition, Daws Oy and QuickClic Finland Oy in 12.11.2005.
